SECOND RENEWED PETITION UNDER 37 C.F.R. § 1.47(a)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Petition Decision mailed on February 29, 2008, in the above-identified application, dismissing in part the previously filed renewed petition, favorable reconsideration is requested in view of the following and the attached document.

With regard to the non-initialed change on the Declaration and Power of Attorney signed by Jessica Arlett, in the Renewed Petition filed on January 18, 2008, Applicants pointed to 37 CFR 1.52(c)(1), which states, in part, that "Any inderlineation, erasure, cancellation or other alteration.....should be dated and initialed or **signed** by the applicant **on the same sheet of paper.**" This argument was rejected because, according to section 605.04(a) of the MPEP, the Office will not consider whether noninitialed and/or nondated alterations were made before or after signing of the oath or declaration but will require a new oath or declaration.

Applicants submit herewith a newly executed Declaration and Power of Attorney of Jessica Arlett, wherein Jessica Arlett has crossed out "Altadena, California" and written in "South Pasadena, California" for her residence, has initialed the change, and has signed the Declaration and Power of Attorney on March 20, 2008. It is therefore respectfully submitted that the objection to Ms. Arlett's signed Declaration should be withdrawn.

In view of the evidence submitted in the previous petition, the previous renewed petition, and the present renewed petition and newly executed Declaration and Power of Attorney by Jessica Arlett, it is respectfully requested that the present application be granted status under 37 C.F.R. § 1.47(a) and placed in line for examination.

If there are any questions regarding the above, please contact the undersigned.

Respectfully submitted,

Date 4/1/08
